## President's Message...

***"It is not the strongest of the species that survives, nor the most intelligent that survives. It is the one that is most adaptable to change."***

**-Darwin**

Welcome to our 2022 Annual Meeting in beautiful St. Pete Beach! Having grown up in Southern California, after a New England winter, I long for the sun and surf and spring's growth and prosperity. The Don CeSar is a perfect place to enjoy outdoor social events, to gather together for a luncheon with our colleagues from the Angle North Atlantic Component and to, once again, share our knowledge with each other in true Angle tradition.

Our meeting's theme, 'Navigating the Changing Tides of Orthodontics', will allow us to exchange ideas about transformations taking place in our profession. Orthodontics is changing more than ever and much of this shift is being driven by forces outside of our specialty. Enterprises are leveraging our data and shaping the research environment and marketplace for clear aligners. 'Direct to Consumer' companies are changing the delivery and quality of orthodontics away from the traditional private practice model. Corporate Orthodontic Support Organizations (OSO's) are diverting newly graduated orthodontists away from being employers to being employees. If we want our chosen profession to continue to provide high quality and high care, a benefit to both the orthodontist and the patient, we must understand and navigate these trends.

The tasks and challenges of staging this meeting were met with diligence and good humor by three key individuals. Yves Bolender navigated the Scientific Program. Martin Palomo, our new Secretary/Treasurer, has been of immeasurable help with registration and communications. Lastly, Beth Barrett continues to be my 'go to lady' by taking the reins of the Local Arrangements.

We are a 'working' society. It is important to recognize the members that sit on the various Committees, the presenters and the discussers for their time and participation in making our meeting a success.

It has been an honor to serve Angle East over the past years and I have dedicated my efforts in remembrance of Sheldon and Leena Peck who brought me to this esteemed group.

Have fun in the sun!

A handwritten signature in blue ink, appearing to read "Anne".

Anne Todd

## ANGLE EAST — Edward H. Angle Society of Orthodontists

St. Pete Beach, Florida • Thursday, April 7th — Sunday, April 10th, 2022

### Recipients of the **Harvey Peck Memorial Award**

Lysle Johnston	2019	Toronto, Ontario	Ashur Chavoor	2004	Boston, MA
Hugh Phillis	2016	Boston, MA	Jack Dale	2002	Toronto, Ontario
Raymond George	2016	Boston, MA	Brainerd Swain	1997	Montréal, Québec

Sheldon Peck	2005	Philadelphia, PA	Wilfred Cohen	1991	Boston, MA

After Harvey Peck's sudden death in 1981, his fellow-members of the Eastern Component felt that a memorial must be established to honor this great contributor to the fabric and dynamics of the Angle Society. Irving Buchin, our Director to the Central Body in 1982, suggested that a charitable fund be initiated in Harvey's memory. By 1984, Irv's initiatives had blossomed into the Eastern Component's highest recognition, the Harvey Peck Memorial Award. Jack Dale created a handsome award certificate to be presented to a member or other contributor for his or her high achievement in the pursuit of excellence in the specialty of orthodontics. Seven years elapsed before it was first presented to Wilfred Cohen in 1991.

The Eastern Component of the Angle Society has traditionally recognized outstanding commitment and meritorious service by a member to whom the annual meeting is then dedicated each year. By the mid 1990s, Angle members, led by the altruism of Sy Conarck, felt that these honorees deserved more formal recognition. Thus, the Distinguished Service Award and the presentation of an inscribed Paul Revere Bowl to the recipient was initiated by the Eastern Component in 1995.

Brainerd F. Swain (1911-1999), or "Barney" as he liked to be called, was the embodiment of the Angle East spirit for decades. Barney was an inspiration to all, a brilliant gentleman, who was also a gentle man. He was open-minded and meticulous in his work, a devoted educator and Angler. In 1999, the Angle East membership voted unanimously to create an award for the annually selected Best Paper of the meeting and to name it in honor of Barney Swain. The winner of the coveted "Barney", the Brainerd F. Swain Award of Excellence, receives a beautiful certificate designed by Jack Dale and the prestigious nomination to be speaker at the next EHASO International Biennial Meeting.
