## *President's Message...*

It's hard to believe another year has come and gone so quickly. Here we are again ready for the best meeting of the year, our annual Angle East meeting. Welcome to Boston!

A special welcome goes out to our Academic Guests: Normand Bach from Montreal, Canada; Ramzi Haddad and Anthony Macari from Beirut, Lebanon; Mohamed Masoud from Boston and Takashi Yamashiro from Okayama, Japan. We also offer a special welcome to our Clinical Guests: Michel Ballerio from Monaco; Bjorn Ludwig from Traben-Trarbach, Germany and Philip Junghans from Andrews Air Force Base, Maryland. David Briss is also bringing a special guest – Dr. Nayla Bassil-Nassif from Beirut, Lebanon.

Boston promises to be a great host site for another outstanding meeting. We will toast our newest Active Member who has completed her Affiliate requirements – Ute Schneider-Moser. We will also recognize Raymond George, Sr. with our Distinguished Service Award for his many years of contributions to Angle East and the specialty of orthodontics.

As all of you know, the meeting is a collaboration of efforts from many people who are involved. I would like to start by thanking Kolman Apt, our tireless Secretary who manages to keep up with all the correspondence and administrative details. Bill Cole, President Elect, has assembled an excellent scientific program with astute discussers for each presenter. Sheldon and Leena Peck with Mike and Corine Cognata, as our Local Arrangements couples, have assisted immeasurably by arranging our musical entertainment, restaurant lists and a number of other special Boston details. Our meeting would not be complete without Elizabeth Barrett preparing our meeting program that we all rely upon so heavily. Thank you for always coming through. And of course, I need to recognize Mary Vanderbeck from EPIC International for all she does securing our hotel, the contract and all of those details that make the meeting run seamlessly.

Finally, I would like to recognize the spouses and significant others who also make a sacrifice to support our membership in Angle East. They give us the time to indulge in our passion for orthodontics. They support us with their attendance at our meetings and they have helped make the meeting a 'family' affair that we all enjoy each year. To my wife, Mary, thank you for your love and patience while I do this wonderful thing called "Angle". I couldn't do it without you.

Thank you again for allowing me the privilege to serve this amazing Society. A gift such as this comes but once in a lifetime.

A handwritten signature in black ink, appearing to read "David Briss".

## ANGLE EAST – Edward H. Angle Society of Orthodontists

Boston, Massachusetts • Thursday, March 29<sup>th</sup> – Sunday, April 1<sup>st</sup> 2012

### Recipients of the **Harvey Peck Memorial Award**

Anthony Giannelly	2010	Ottawa, Canada
David Musich	2008	Charleston, SC
Sheldon Peck	2005	Philadelphia, PA
Ashur Chavoor	2004	Boston, MA
Jack Dale	2002	Toronto, Ontario
Brainerd Swain	1997	Montreal, Quebec
Theodore Adler	1996	Annapolis, MD
Coenraad F.A. Moorrees	1993	Asheville, NC
Everett Shapiro	1993	Asheville, NC
Wilfred Cohen	1991	Boston, MA

After Harvey Peck's sudden death in 1981, his fellow-members of the Eastern Component felt that a memorial must be established to honor this great contributor to the fabric and dynamics of the Angle Society. Irving Buchin, our Director to the Central Body in 1982, suggested that a charitable fund be initiated in Harvey's memory. By 1984, Irv's initiatives had blossomed into the Eastern Component's highest recognition, the Harvey Peck Memorial Award. Jack Dale created a handsome award certificate to be presented to a member or other contributor for his or her high achievement in the pursuit of excellence in the specialty of orthodontics. Seven years elapsed before it was first presented to Wilfred Cohen in 1991.

### Recipients of the **Distinguished Service Award**

Robert Vanarsdall	2011	Providence, RI

S. Charles Conarck	1997	Montreal, Quebec
Jacob Harris	1996	Annapolis, MD
Joseph DiStasio	1995	New York, NY

For years the Eastern Component of the Angle Society annually recognized outstanding commitment and meritorious service by a member to whom the annual meeting was dedicated. By the mid - 1990s many members, led by the altruism of Sy Conarck, felt these Angle honorees deserved more formal recognition. Thus, the Distinguished Service Award - the presentation of an inscribed Paul Revere bowl - was initiated by the Angle Eastern Component in 1995.

Brainerd F. Swain (1911-1999), or "Barney" as he liked to be called, was the essence of Angle East for decades. Barney was an inspiration to all, a brilliant gentleman, who was a gentle man. He was open-minded and meticulous in his work, a devoted educator and Angler. In 1999, the Angle East membership voted unanimously to create an award for the annually selected Best Paper of the meeting and to name it in honor of Barney Swain. The winner of the coveted "Barney", the Brainerd F. Swain Award of Excellence, receives a beautiful certificate designed by Jack Dale and the prestigious nomination to be speaker at the next EHASO International Biennial Meeting.
