President's Message...

"Tell me and I forget, teach me and I may remember, involve me and I learn."

Benjamin Franklin

The annual Angle East meeting is more than a gathering of colleagues, not simply a meeting of minds, deeper than a reunion of friends, and decidedly not a professional "convention." It is a complete involvement in what we are all privileged to be a part of – a specialty with a proud and robust history of service, knowledge, art, and science. Over the course of a few brief days we listen and discuss, we observe and demonstrate, we question, we doubt, and we reflect. At the end of our meetings we leave rejuvenated in mind and spirit; we always look forward to the next year because, seemingly without fail, each succeeding meeting gets better.

I welcome you to the heart of the beautiful Catskill Mountains of New York and the quiet solitude of the Mohonk Mountain House. With the help of many dedicated members we have once again assembled a meeting that will be memorable and unique. Marcel Korn has arranged a scientific program that is second to none. We welcome our new guests and rising Academic and Clinical Affiliates. I look forward to sharing this time with my friends, family, and compatriots. Thanks to all that have made this meeting possible, and thank you for the privilege of being your president of Angle East 2013.

Bill

ANGLE EAST – Edward H. Angle Society of Orthodontists

New Paltz, New York • Thursday, April 11th – Sunday, April 14th 2013

Recipients of the **Harvey Peck Memorial Award**

Anthony Giannelly	2010	Ottawa, Canada	Brainerd Swain	1997	Montreal, Quebec
David Musich	2008	Charleston, SC	Theodore Adler	1996	Annapolis, MD
Sheldon Peck	2005	Philadelphia, PA	Coenraad F.A. Moorrees	1993	Asheville, NC
Ashur Chavoor	2004	Boston, MA	Everett Shapiro	1993	Asheville, NC
Jack Dale	2002	Toronto, Ontario	Wilfred Cohen	1991	Boston, MA

After Harvey Peck's sudden death in 1981, his fellow-members of the Eastern Component felt that a memorial must be established to honor this great contributor to the fabric and dynamics of the Angle Society. Irving Buchin, our Director to the Central Body in 1982, suggested that a charitable fund be initiated in Harvey's memory. By 1984, Irv's initiatives had blossomed into the Eastern Component's highest recognition, the Harvey Peck Memorial Award. Jack Dale created a handsome award certificate to be presented to a member or other contributor for his or her high achievement in the pursuit of excellence in the specialty of orthodontics. Seven years elapsed before it was first presented to Wilfred Cohen in 1991.

Recipients of the **Distinguished Service Award**

Barry Briss	2013	New Paltz, NY	Anthony Gianelly	2005	Philadelphia, PA

Robert Fields	2007	Boston, MA	Jacob Harris	1996	Annapolis, MD
Thomas Cangialosi	2006	Washington, DC	Joseph DiStasio	1995	New York, NY

The Eastern Component of the Angle Society has traditionally recognized outstanding commitment and meritorious service by a member to whom the annual meeting is then dedicated each year. By the mid 1990s, Angle members, led by the altruism of Sy Conarck, felt that these honorees deserved more formal recognition. Thus, the Distinguished Service Award and the presentation of an inscribed Paul Revere Bowl to the recipient was initiated by the Eastern Component in 1995.

Brainerd F. Swain (1911-1999), or "Barney" as he liked to be called, was the embodiment of the Angle East spirit for decades. Barney was an inspiration to all, a brilliant gentleman, who was also a gentle man. He was open-minded and meticulous in his work, a devoted educator and Angler. In 1999, the Angle East membership voted unanimously to create an award for the annually selected Best Paper of the meeting and to name it in honor of Barney Swain. The winner of the coveted "Barney", the Brainerd F. Swain Award of Excellence, receives a beautiful certificate designed by Jack Dale and the prestigious nomination to be speaker at the next EHASO International Biennial Meeting.
