President's Message...

Dear Fellow Anglers,

Welcome to Washington D.C.! It is with great anticipation that I welcome you to the annual Angle East meeting. I hope that you share my enthusiasm for the orthodontic intellectual stimulation from both the academic and clinical perspective that this meeting offers. The collegial exchange of insight and experience is unparalleled in the orthodontic community.

As one would expect, there are many Anglers who are responsible for staging such an undertaking. Kambiz Moin, our Secretary/Treasurer deserves kudos for all of the communications and financial management of Angle East. Carroll-Ann Trotman has organized an excellent platform of presenters and discussers in her role as Program Chairperson. Thank you to all presenters and discussers. I would like to express much appreciation to Peter Ngan, Academic Chair, and Mark Bronsky, Examination Chair, along with their committees for their time and effort on behalf of Angle East. Beth Barrett continues to be an integral member of our Angle East family as demonstrated by her expertise in preparation of our meeting program.

I would also like to express my sincere appreciation to Margherita Santoro and David Briss who as ex-officios of their respective committees were intimately involved in mentoring their rising Chairs.

Finally, I would like to recognize Ute Schneider-Moser along with her committee for their arduous undertaking in evaluating the Angle East At-Large Policy. Subsequently, they have made several recommendations which will be further discussed in the Executive Committee meetings prior to being presented to the membership of Angle East.

Thank you for allowing me the opportunity to serve the Eastern Component of the Edward H. Angle Society of Orthodontists as your president. It has truly been an honor and a privilege.

A handwritten signature in black ink, appearing to read "Kambiz Moin".

ANGLE EAST – Edward H. Angle Society of Orthodontists

Washington, D.C. • Thursday, March 26th – Sunday, March 29th 2015

Robert Vanarsdall	2014	Paris, France	Brainerd Swain	1997	Montreal, Quebec

Jack Dale	2002	Toronto, Ontario			

After Harvey Peck's sudden death in 1981, his fellow-members of the Eastern Component felt that a memorial must be established to honor this great contributor to the fabric and dynamics of the Angle Society. Irving Buchin, our Director to the Central Body in 1982, suggested that a charitable fund be initiated in Harvey's memory. By 1984, Irv's initiatives had blossomed into the Eastern Component's highest recognition, the Harvey Peck Memorial Award. Jack Dale created a handsome award certificate to be presented to a member or other contributor for his or her high achievement in the pursuit of excellence in the specialty of orthodontics. Seven years elapsed before it was first presented to Wilfred Cohen in 1991.

The Eastern Component of the Angle Society has traditionally recognized outstanding commitment and meritorious service by a member to whom the annual meeting is then dedicated each year. By the mid 1990s, Angle members, led by the altruism of Sy Conarck, felt that these honorees deserved more formal recognition. Thus, the Distinguished Service Award and the presentation of an inscribed Paul Revere Bowl to the recipient was initiated by the Eastern Component in 1995.

Brainerd F. Swain (1911-1999), or "Barney" as he liked to be called, was the embodiment of the Angle East spirit for decades. Barney was an inspiration to all, a brilliant gentleman, who was also a gentle man. He was open-minded and meticulous in his work, a devoted educator and Angler. In 1999, the Angle East membership voted unanimously to create an award for the annually selected Best Paper of the meeting and to name it in honor of Barney Swain. The winner of the coveted "Barney", the Brainerd F. Swain Award of Excellence, receives a beautiful certificate designed by Jack Dale and the prestigious nomination to be speaker at the next EHASO International Biennial Meeting.
