## *President's Message...*

Dear Fellow Anglers,

I want to welcome you to Boston — a city that many of you know very well. We have an exciting meeting planned at the Langham with a theme of “Leadership, Learning, and Legacy in the Cradle of Liberty”. I want to immediately take this opportunity to acknowledge all the presenters and discussers who represent the core of this meeting.

I must say that I never would have thought that I would be living in this fun and enticing city, or just as important, that I would be your Angle East President. So here it is, I am just thrilled to be in Boston and honored to serve as your President during this year.

As we look towards this meeting, I have many to thank who helped get us to this point. Anne Todd has been outstanding in her new role as Secretary/Treasurer. She has kept close tabs on everything helping to make my life easier. Daniel Tanguay, the Program Chair, has organized a wonderful program that will engage all of you and I am looking forward to your participation and stimulating discussions. Thanks to Chun-Hsi Chung and Kazuhito Arai, the Chairs of the Examining and Academic Committees, respectively. Both Chairs and their committee members worked very hard all year long to ensure that our Affiliate members and guests make progress towards their final goal of Angle membership. My thanks also to all of you who serve on the Executive Committee; every year you provide the leadership that keeps the society viable.

Finally, and as always, Beth Barrett has done a great job with the meeting program, kudos to Beth for her efficiency and expertise.

Everyone, here's to a great, fun meeting!

Warm regards,

A handwritten signature in blue ink, appearing to read "E. Todd", written in a cursive style.

After Harvey Peck's sudden death in 1981, his fellow-members of the Eastern Component felt that a memorial must be established to honor this great contributor to the fabric and dynamics of the Angle Society. Irving Buchin, our Director to the Central Body in 1982, suggested that a charitable fund be initiated in Harvey's memory. By 1984, Irv's initiatives had blossomed into the Eastern Component's highest recognition, the Harvey Peck Memorial Award. Jack Dale created a handsome award certificate to be presented to a member or other contributor for his or her high achievement in the pursuit of excellence in the specialty of orthodontics. Seven years elapsed before it was first presented to Wilfred Cohen in 1991.

The Eastern Component of the Angle Society has traditionally recognized outstanding commitment and meritorious service by a member to whom the annual meeting is then dedicated each year. By the mid 1990s, Angle members, led by the altruism of Sy Conarck, felt that these honorees deserved more formal recognition. Thus, the Distinguished Service Award and the presentation of an inscribed Paul Revere Bowl to the recipient was initiated by the Eastern Component in 1995.

Brainerd F. Swain (1911-1999), or "Barney" as he liked to be called, was the embodiment of the Angle East spirit for decades. Barney was an inspiration to all, a brilliant gentleman, who was also a gentle man. He was open-minded and meticulous in his work, a devoted educator and Angler. In 1999, the Angle East membership voted unanimously to create an award for the annually selected Best Paper of the meeting and to name it in honor of Barney Swain. The winner of the coveted "Barney", the Brainerd F. Swain Award of Excellence, receives a beautiful certificate designed by Jack Dale and the prestigious nomination to be speaker at the next EHASO International Biennial Meeting.
