## *President's Message...*

Dear Fellow Angle Members, Affiliates, Guest and Spouses,

I welcome you with open arms to Montréal, which is celebrating its 375th year of history. It is most fitting considering that it is hosting the oldest orthodontic study club. Our theme for this year's meeting is: "Shedding 'Northern Lights' on the Future of Orthodontics." We are gathering together as always with a sense of purpose, vision and gratefulness to our predecessors and also excitement for the future of orthodontics. We, as a group, will again take the lead in orthodontic research by confronting our peers as we present the latest and the finest work in our field. Please let me take this opportunity to acknowledge all the presenters and discussers and thank them for their time and work towards making this meeting as interesting and worthwhile as it always is.

Serving this society has been a privilege and an honor but I have a lot of people to thank for the past success of previous meetings and especially for the organization of our Montréal event.

Anne Todd, as always, was indispensable and outstanding in her role as Secretary/Treasurer. Always on top of things and making sure things get done, she made my presidency much easier. David De Franco, the Program Chair, has put together an enticing program that will allow everyone to immerse themselves in the latest orthodontic research. As always, I am convinced that you will actively participate and initiate stimulating discussions during the sessions. Furthermore, I want to acknowledge the work and involvement of Paul Batastini and Robert Garcia, the Chairs of the Examining and Academic Committees, respectively. Thank you also to all the different committee members who put in long hours during the year. I also want to thank the members of the Executive Committee that bestows upon our Society the leadership needed for it to thrive and prosper.

Finally, this year we will have the honor to pay tribute to our friend, Beth Barrett, who has done such a great job with the meeting program, not only this year, but also during the past 20 years.

Like Albert Schweitzer said: "Set a good example for the world. If you are excellent, if you are of high quality, the world will imitate you."

Everyone, here's to a fun meeting in Montréal!

Warm regards,

## ANGLE EAST – Edward H. Angle Society of Orthodontists

Montréal, Québec, Canada • Thursday, April 6<sup>th</sup> – Sunday, April 9<sup>th</sup> 2017

### Recipients of the **Harvey Peck Memorial Award**

Hugh Phillis	2016	Boston, MA	Jack Dale	2002	Toronto, Ontario
Raymond George	2016	Boston, MA	Brainerd Swain	1997	Montréal, Québec

Sheldon Peck	2005	Philadelphia, PA	Wilfred Cohen	1991	Boston, MA
Ashur Chavoor	2004	Boston, MA			

After Harvey Peck's sudden death in 1981, his fellow-members of the Eastern Component felt that a memorial must be established to honor this great contributor to the fabric and dynamics of the Angle Society. Irving Buchin, our Director to the Central Body in 1982, suggested that a charitable fund be initiated in Harvey's memory. By 1984, Irv's initiatives had blossomed into the Eastern Component's highest recognition, the Harvey Peck Memorial Award. Jack Dale created a handsome award certificate to be presented to a member or other contributor for his or her high achievement in the pursuit of excellence in the specialty of orthodontics. Seven years elapsed before it was first presented to Wilfred Cohen in 1991.

The Eastern Component of the Angle Society has traditionally recognized outstanding commitment and meritorious service by a member to whom the annual meeting is then dedicated each year. By the mid 1990s, Angle members, led by the altruism of Sy Conarck, felt that these honorees deserved more formal recognition. Thus, the Distinguished Service Award and the presentation of an inscribed Paul Revere Bowl to the recipient was initiated by the Eastern Component in 1995.

Brainerd F. Swain (1911-1999), or "Barney" as he liked to be called, was the embodiment of the Angle East spirit for decades. Barney was an inspiration to all, a brilliant gentleman, who was also a gentle man. He was open-minded and meticulous in his work, a devoted educator and Angler. In 1999, the Angle East membership voted unanimously to create an award for the annually selected Best Paper of the meeting and to name it in honor of Barney Swain. The winner of the coveted "Barney", the Brainerd F. Swain Award of Excellence, receives a beautiful certificate designed by Jack Dale and the prestigious nomination to be speaker at the next EHASO International Biennial Meeting.
