## President's Message...

Dear Angle fellows and friends,

Welcome to the **first-ever hybrid annual meeting** in the long-standing history **of Angle East!**

Needless to ruminate on the last challenging two years since we met in Toronto when none of us had the slightest idea about the looming global Covid calamity we would all need to master – and we know that it is still not over! However, what counts and what is emblematic for a society of kindred master-minds is the willingness and courage to withstand the pandemic headwind by supporting the new *in person plus virtual meeting format* which allows us to stay strong and connected against all odds.

Let me also take the opportunity to thank you for having welcomed and embraced the 'Angle Net' Monday webinars – our first-ever joint project of Angle East and the Angle Society of Europe – a project originated in 2005 by Sheldon Peck, David Musich, and my husband Lorenz – and now successfully implemented by Renato Cocconi and the ASE President Thor Henrikson and Immediate Past President Giuliano Maino, with the aims of bringing our societies closer together and to offer a sponsor-free and complementary postgraduate education program to the global community of orthodontic postgraduates in defiance of the paralyzing global situation. Season III will be launched in November, and I sincerely hope that you will continue to support this unique initiative – increasing the visibility of the Angle Society among the new generation of promising orthodontists and stimulating them to become a proud member of our ultimate study club in the future. I am convinced Dr. Angle would be proud of us!

*'Grazie infinite'* to our restless members of the Executive Committee who had to invest many hours of their spare time to lengthy Zoom meetings over the last two years. I have no words to describe the incredible efficiency of our President-Elect, Scientific Program Chair and Program Editor Anne Todd; our farsighted and judicious Secretary-Treasurer Margherita Santoro; our thoughtful Chairs of the Academic and Examining Committees, Yves Bolender and Antonino Secchi, and their teams; Kolman Apt, our wonderful Editor; David Briss, our incumbent and Hugh Phillis our *ex officio* Parliamentarian for their advice and guidance; Mickey Webb for having mastered the revision of the bylaws; and Dan Tanguay and David De Franco for gently leading the Membership and the Nominations Committees. A special mention goes to the Awards Chair Mike Vermette and his collaborators, to our webmasters Sylvain Chamberland and Jean-Marc Retrouvey and to our Assistant Secretary/Treasurer Martin Palomo.

Lastly, the most important ingredient for a successful meeting is YOUR active participation with a paper, a pearl, a critique or presenting your clinical cases and this time I acknowledge, not only the effort you have dedicated to the quality of the Scientific Program, but also the extra portion of patience and courage to endure travel restrictions and to accept last-minute decisions to realize this very special Angle East Annual Meeting. For those who will sadly not be able to travel to New Hampshire this year, let me cheer you up with the prospect that our next meeting in April 2022 is 'just around the corner' and that we will celebrate twice as joyfully in Florida!

It has been an ineffable honor and immense pleasure to serve Angle East and I hope to welcome you all with open arms at the Wentworth by the Sea in September! Safe travels and be well!

A handwritten signature in blue ink, appearing to read 'Ute Schneider-Moser', is written in a cursive style.

## ANGLE EAST — Edward H. Angle Society of Orthodontists

Newcastle, New Hampshire • Sunday, September 19th — Wednesday, September 22nd, 2021

### Recipients of the *Harvey Peck Memorial Award*

Lysle Johnston	2019	Toronto, Ontario	Ashur Chavoor	2004	Boston, MA
Hugh Phillis	2016	Boston, MA	Jack Dale	2002	Toronto, Ontario
Raymond George	2016	Boston, MA	Brainerd Swain	1997	Montréal, Québec
Robert Vanarsdall	2014	Paris, France	Theodore Adler	1996	Annapolis, MD
Anthony Gianelly	2010	Ottawa, Canada	Coenraad F.A. Moorrees	1993	Asheville, NC
David Musich	2008	Charleston, SC	Everett Shapiro	1993	Asheville, NC
Sheldon Peck	2005	Philadelphia, PA	Wilfred Cohen	1991	Boston, MA

After Harvey Peck's sudden death in 1981, his fellow-members of the Eastern Component felt that a memorial must be established to honor this great contributor to the fabric and dynamics of the Angle Society. Irving Buchin, our Director to the Central Body in 1982, suggested that a charitable fund be initiated in Harvey's memory. By 1984, Irv's initiatives had blossomed into the Eastern Component's highest recognition, the Harvey Peck Memorial Award. Jack Dale created a handsome award certificate to be presented to a member or other contributor for his or her high achievement in the pursuit of excellence in the specialty of orthodontics. Seven years elapsed before it was first presented to Wilfred Cohen in 1991.

### Recipients of the *Distinguished Service Award*

Peter Greco	2019	Toronto, Ontario	William Northway	2008	Charleston, SC

Leena Peck	2010	Ottawa, Ontario	Jacob Harris	1996	Annapolis, MD
Sheldon Peck	2009	Newport, RI	Joseph DiStasio	1995	New York, NY

The Eastern Component of the Angle Society has traditionally recognized outstanding commitment and meritorious service by a member to whom the annual meeting is then dedicated each year. By the mid 1990s, Angle members, led by the altruism of Sy Conarck, felt that these honorees deserved more formal recognition. Thus, the Distinguished Service Award and the presentation of an inscribed Paul Revere Bowl to the recipient was initiated by the Eastern Component in 1995.

Brainerd F. Swain (1911-1999), or "Barney" as he liked to be called, was the embodiment of the Angle East spirit for decades. Barney was an inspiration to all, a brilliant gentleman, who was also a gentle man. He was open-minded and meticulous in his work, a devoted educator and Angler. In 1999, the Angle East membership voted unanimously to create an award for the annually selected Best Paper of the meeting and to name it in honor of Barney Swain. The winner of the coveted "Barney", the Brainerd F. Swain Award of Excellence, receives a beautiful certificate designed by Jack Dale and the prestigious nomination to be speaker at the next EHASO International Biennial Meeting.
